

Bachelor Programme in Business Administration
Marketing intelligence class
A.Y. 2021-2022, II Year, II Semester, 5 ECTS Credits
Prof. Ambra Altimari

Course Information	Marketing intelligence (SECS-P/08) 5 ECTS II semester – March-April 2022 A.Y. 2021/2022
Contacts	Prof. Ambra Altimari Email: ambra.altimari@unicz.it Website: https://diges.unicz.it/web/2022/01/03/didattica-altimari/
Course Description	The course is applied and involves the combination of theoretical and practical lessons during which students will be able to apply the acquired knowledge working on the individual steps of a market analysis.
Course goals and Expected Learning Outcomes (knowledge and understanding; Apply knowledge and understanding; Autonomy of judgment; Communication skills; Learning ability)	The course aims to provide learners with the basic knowledge (types of data, tools of analysis, and the presentation of results) necessary for the design and implementation of market analysis for business decisions. Learners are expected to develop: i) an adequate knowledge and understanding of the types of data analysis; ii) the ability to apply the tools according to the analysis needs; iii) the ability to prepare, summarise and present information and results; iv) ability to use technical language to clearly communicate with specialist (managers, academics, experts) and not specialists interlocutors; v) adequate learning skills to independently deepen the main market trends at a global level.
Program (Attending and not Attending students)	Course contents: - Types of data - Methods of quantitative and qualitative analysis - Excel for business - Data analysis e visualization using Excel - Data-driven decision making and problem solving - Data communication (Reports and presentation of results)
Expected student workload	The approximate estimation of the individual study hours required to learn the contents and to complete the market analysis (including laboratory mode) is about 100 hours.
Teaching methods	- Face-to-face lectures (online mode during COVID pandemic) - Workshops (Project works)
Learning resources (textbooks, eventual further readings useful to a reader seeking additional information)	Readings and practical contents related to the workshops will be provided by the teacher and will remain available within the E-learning-UMG platform. As a theoretical reference you can use the textbook suggested for the Marketing class: Blyte, J., Cedrola E., Martin J., (2017) Fondamenti di Marketing, Pearson Italia, Milano-Torino.

Support activities	The course includes practical lessons during which students will work with the support of the teacher.			
Attendance policy	The attendance policy is established by art. 8 of the University teaching regulation			
Assessment methods	The general policy is established by art. 22 of the University teaching regulation: http://www.unicz.it/pdf/regolamento_didattico_ateneo_dr681.pdf			
	Single final oral exam			
	Students will be asked to present and discuss their project work. The table shows criteria for final exam evaluation:			
		Knowledge and comprehension	Analysis and synthesis	Use of bibliographic references
	Fail	Important gaps/mistakes/lexical inaccuracies Confusion	Irrelevant Inappropriate use of digressions and generalizations	Not able
	18-20	Minimal orientation skills in the subject Evident imperfections/gaps	Barely sufficient	Barely sufficient
	21-23	Superficial knowledge Serious imperfections	Correct method supported by coherent presentation/reasoning	Able
	24-26	Good knowledge, albeit non supported by substantial critical/systematic ability	Correct method supported by coherent presentation/reasoning	Able
27-29	Remarkable knowledge, supported by orientation skills in the subject and considerable critical thinking	Correct method supported by coherent presentation/reasoning with hints of originality	Able to focus the subject logically and coherently.	
30-30 cum laude	Excellent knowledge supported by outstanding orientation skills in the subject and profound critical thinking	Correct method supported by coherent presentation/reasoning with noticeable originality	Able to focus the subject logically and coherently.
