## Law Master's Degree (LMG) Employment Contracts A.Y. 2022/2023 2nd semester, 6 ECTS Prof. Maura Ranieri

About Course	Employment Contracts (IUS/07), 6 ETCS (45 hours), 2 <sup>nd</sup> semester
About your Professor	Prof. Maura Ranieri Department of Law, Economics and Sociology Mail <a href="mailto:ranieri@unicz.it">ranieri@unicz.it</a> Tel. 0961 3694931 Office hours are posted on Department's website, on the notices section for students or on Teacher's personal page. Prof. Ranieri's office is in the building of legal, economic and social area, level 0, room n. 1.
Course Outline	The course is aimed to deepen contract types existing.
Goals and expected results of the course	Students will gain a critical knowledge about contract types, their regulation and their effects in the labor system.
Course Syllabus	The main subjects of the course are: self-employment; paid employment; coordinated work; part-time; intermittent work; fixed term employment; staff leasing contract; apprenticeship contract.
Required effort (estimate average) for self-study	The program requires about 200 hours of self-study (estimate average).
Teaching Method	The course consists of classroom lessons with student's active presence. They will study national and European norms and judgements.  There will also be seminars on specific topics by university professors and professional experts.
Learning Resources	Learning resources will be suggested by the teacher at the beginning of the course so they are always up to date.  Attending students may agree on the program with the Professor in class.

Support ctivities	Th	e Professor	provides support	activities during	office hours.			
tendances Modes	The attendance modes are set out in the Teaching Regulation of University.							
valuation	The evaluation method is set out in the Teaching Regulation of the							
Method		iversity, art		at in the reacting	regulation of the			
1110011001		<b>0</b> .		test.				
	There is usually not a midterm test.  The Professor can check the progress of the class during the course							
	on the basis of the number of attending students and teaching							
		performances.						
	-	The final exam will be held in the form of oral and provides an						
		evaluation in thirtieths; the exam is passed with a mark equal or
