

Bachelor Degree in Economics

Administrative Law

a.y. 2024-2025

II Semester

6 ECTS Credits

Silia Gardini

Course Information	Administrative Law
Instructor Contacts	Silia Gardini, Ricercatrice di Diritto amministrativo Indirizzo mail: silia.gardini@unicz.it . Dates and times of the student reception can be arranged by e-mail.
Course Description	The course focused on the analysis of the main institutions of administrative law: the notions of administrative function and power, public assets, public finance and the organisation and public and private activities of public administrations.
Course goals and Expected Learning Outcomes	Course objective: - knowledge of the functioning of public administrations, both with regard to their activities and their organisational structure; - framework of the institutes of administrative law regulating relations between private individuals and the public administration, in particular from the point of view of businesses and economic operators, identifying the economic-legal instruments appropriate to the various needs; - critical analysis of the relationship between public power and private parties, identifying any illegitimacy in administrative action and devising appropriate solutions; - identifying the main regulatory sources of administrative law, interpreting them and applying them in the context of the legal relations of public administrations.
Program	General Part: 1. The perimeter of public administration: the function and the administration. 2. The organisation: bodies, organs and offices. 3. The public goods. 4. Public finance. 5. Administrative activity: power, procedure and measure. 6. The regulation of public contracts.
Expected student workload	Approximately 85 hours of study
